PLEASE NOTE

As flying is a skill, your actual course cost may vary and will depend upon your abilities, knowledge and effort put towards acquiring this certification. Unless otherwise stated prices are exclusive of accommodation, test fees or licence issue fees. For your own peace of mind please check that the price shown is still applicable at the time of booking. Examination retests incur additional charges not illustrated in this quotation. Additional tuition will be charged at the facility posted aircraft rates at the time of training. Prices may be subject to change with prior notification. Confirmation of course booking will be made on receipt of a 20% course deposit.

Other Information

Atlantic Flight Training is an independent JAA approved Flight Training Organisation; our aim is to provide Professional pilot training from JAA PPL to a JAA Commercial Pilots Licence with Multi Engine and Instrument Rating Privileges including Multi Crew Co-operation and Airline Transport Pilots Licence (ATPL) theory.

With over 20 years of training experience we are able to offer pilot training tailored to meet the needs of our customers. In addition to our ab initio training we provide full time ATPL ground school, distance learning, licence conversions, renewals and revalidations.

If you would like to discuss your training needs or to arrange a one-to-one consultation please contact Atlantic Flight Training on Tel. 0845 4500530

Location

Based centrally in the United Kingdom at Coventry Airport, Atlantic Flight Training occupies a comprehensively equipped purpose built training facility.

Using state of the art multimedia, aircraft, simulators and training techniques, under the supervision of a highly qualified professional team of ground, flight and simulator instructors, we aim to provide the best training programmes to prepare pilots for the new set of skills required by the Airline Industry.
